ALCOHOL: 14.5% By Vol.

pH: 3.81 **ACIDITY:** 5.3 g/mL **RESIDUAL SUGAR:** 4 g/L

FOOD PAIRINGS: Grille steak, short ribs, beef brisket, or lamb shank

VINIFICATION & MATURATION: The 2023 Cabernet Sauvignon from Napa Valley was vinified to highlight both power and refinement. Hand-harvested fruit was carefully sorted before destemming and fermented in stainless steel tanks, with controlled temperatures and regular pump-overs to ensure even extraction of color, flavor, and tannin. A period of extended maceration followed, enhancing structure and depth. The wine was then matured for 18 months in French oak barrels, with a significant portion of new oak to impart layers of vanilla, cedar, and spice that integrate with the varietal's core of dark fruit. This approach yields a Cabernet that balances richness and intensity with polished tannins and long-term aging potential.

WINE NOTES: This Cabernet Sauvignon from Napa Valley pours a deep ruby-purple and opens with powerful aromas of blackcurrant, blackberry, and plum, layered with hints of graphite, cedar, and cocoa. On the palate it is full-bodied and structured, with concentrated dark fruit flavors framed by firm yet polished tannins. Subtle notes of vanilla, spice, and tobacco from oak aging add complexity, while balanced acidity keeps the wine fresh. The finish is long and persistent, echoing cassis, dark chocolate, and a touch of savory earth, promising excellent aging potential.
